Master of Science in Information Technology

# Privacy Seminar

**Speaker: Nicole Uribe**

**Title:  
The Underdog of  
Privacy: Data Subject  
Rights**

## **Abstract:**

**Companies often undervalue the listening mechanism they have in design, resourcing and signals that can be derived from an efficient data subject rights program. This talk will examine the ways an efficient DSR program can enable improved product experiences, support your customers, and protect the business.**

## **Abstract:**

**Nicole Uribe is the Sr. Director of Global Data Privacy Operations for Intuitive. She is a privacy professional having led global privacy teams at Meta, Microsoft and now, Intuitive. The teams' remit spanned privacy by design, incident response, mergers and acquisitions, and privacy risk management.**

**WHEN: April 2nd 2024  
12:30-1:50pm**

**WHERE: Hamburg Hall Room 1002**
